COURSE 2: Intermediate Golf Clinic: Advance Your Golf Skills (Blended: Indoor & Outdoor Golf Instruction)

Duration: 6 Weeks 03/19/2016 - 04/22/2016

Time: 11:30a.m. – 1:00a.m.

Location: Golfer's Grail Indoor Golf & Tap

Cost: \$299.00

Overview:

This is an intermediate level (**six week course**) that is designed to advance your golf skills to the next skill level while still implementing the proper fundamentals of golf. This course is designed for the golfer that has developed basic skills and would like to become more consistent in their ball striking and overall game. This course will cover all facets of the game and concentrate on more advanced techniques.

The student will **spend two weeks indoors using high technology simulators** to practice advancing their skills and **four weeks on a local outdoor golf course** to obtain "real-life" experiences in a fun, safe, environment! This course targets adults (**women and men**).

The students will also play a few holes with the instructor.

Take your game to the next level!

Optional Workbook: Golf On the Go Training Workbook and Reference Guide: \$24.95 plus tax
